Dear Parents and Caregivers

I hope you all had a safe and restful break, and are looking forward to an exciting year of education. As part of our Explicit Teaching model, Cassia will have an emphasis on enhancing the presentation of students work. All class books will be covered, pages ruled and tidy handwriting will be expected. Students at Cassia PS are encouraged to have high standards in all their work and the effort they put into their learning. If any parents would like to assist and help classes with covering their books please let your child’s classroom teacher know. We would appreciate and welcome all help.

Note: The Department of Education and the Town of Port Hedland are in consultation on ways to improve our parent parking as space is at a premium. The area outside the school fence is governed by normal road rules and illegal parking may result in a fine from the Town of Port Hedland.
